# LUTHERAN HIGH SCHOOL CENTRAL

# SAINT LOUIS, MISSOURI

LUTHERAN
HIGH
SCHOOL

Dr. Paul W. Lange breaking ground for Lutheran High School North on October 21, 1962.

# *IN APPRECIATION*

Dr. Paul Lange, as students of Lutheran High Central, we would thank you sincerely for your many years of faithful service to the Lutheran Association for Higher Education. When we realize that you were one of the first men to create the school that we now attend, we are very, very grateful. We are also thankful for your part in creating two new Lutheran high schools and making them a dream come true. We hope that this small token of deep appreciation will serve as a reminder of your many Christian endeavors in St. Louis.

Miss Irmgard Koch, teacher at Lutheran High School Central since 1949.

# *DEDICATION*

This is your yearbook, Miss Irmgard Koch. Since your first year of teaching experience in 1920, you have led your students in various fields of education. After teaching in Wisconsin and Arkansas, your journey on life's road brought you to the state of Missouri. Here, after one year of teaching in elementary school, you came to Lutheran High School Central in 1949. Being qualified to teach English, social studies, and speech on the high school level, you have directed the students here in these fields. You now hold the position of English Department Chairman. But even more than this, you have helped us and other students develop our Christian personalities through your dedicated service to that calling which is higher than just one of teaching English. We, your students, the teachers, and the alumni are deeply grateful to you for this personal interest which you have taken in each one of your students.

# *FACULTY AND*

# *STAFF*

The faculty of Lutheran High School Central has done a basic duty this past year by following the guidance of Psalm 111, verse 10, which says "The fear of the Lord is the beginning of wisdom." In this, the teachers and other administrators have strived to enrich our spiritual lives as fellow Christians. There remains yet another duty, however, and that is, of course, the teaching of academic skills. Without the knowledge gained by their patience, understanding, and help, both in class and in their spare time, we could never succeed in life as stewards of our time and talents. In addition, the faculty sponsor enough outside activities to keep us busy for the entire year. However their guidance is essential in the success of any organization. And so we would thank them for a wonderful year of academic advance and Christian growth, all in Christ's name.

We are thankful to the Board of Trustees for providing us with the excellent Christian education which we are receiving. Together they have spent countless hours working to improve our high school system. These fifteen men, have labored hard and long to give us the best possible education. We are most grateful to all of these people for their concern and efforts in giving us the Christ-centered education which will be a lasting influence on our lives.

Board of Trustees from left: E. Hagenmueller, H. Eggerding, E. Hagensieker, A. Gaebler, J. Schwab, W. Krato, P. Jabker, R. Nierdieck, A. Brandhorst, C. Klingsick. Absent: H. Jutzi, Rev. S. Roth, Rev. E. Mundinger, Dr. A. Repp, V. Koenig.

Mr. Kermit C. Meyer — Principal

Dear Friends,

Graduation is a time of mixed feelings and emotions. One feels regret at the loss of many happy moments shared with classmates. Joy is experienced as one reflects on the feelings of satisfaction over accomplishments of the past.

Ahead lie the responsibilities and opportunities of the future. As you enter upon this phase of your life, be assured that the prayers of your parents and your teachers go with you.

Your diplomas certify that you have met the standards for graduation. We are sure that with the help of Christ, our Lord and Savior, you will also meet the standards of life and faithful service to God, church and country.

Lutheran High Central bids you farewell. May you always remember your days here. May you come back to visit us often.

In Christ;
K. C. Meyer, Principal

# PHYSICAL EDUCATION

LOUIS SCHROER — B.S., M.S.

ETHEL STORCK — B.A.

WAYNE VOGELSMEIER — B.S., M.S.

Mrs. Storck

Many of us have put a lot of sweat, toil, pain and sometimes blood in trying to become physically fit, and what do we get in return? . . . A lot of sore muscles!!!!!

# STAFF

COOKS: From left to right — Mrs. Clara Weber, Mrs. Ethel Kroeter, Mrs. Bertha Longhauser, Henry G. Hartwig.

CUSTODIANS: From left to right — Edgar E. Frentzel, Elree Todd, William O. Popp.
CAMERA SHY: Mrs. W. O. Popp

Behind the scenes in our school, several groups of people contribute a great deal of effort to keep up it's maintenance. Our custodians pick up after us and keep our school building in the best possible physical condition, both inside and outside. The kitchen staff works hard to provide us daily with a hot lunch and then clean up the cafeteria after each lunch period. Unfortunately we are not always aware of the great effort which goes into the maintenance of our school. We all owe a great deal of gratitude to these hardworking people for their services.

# *OFFICE STAFF*

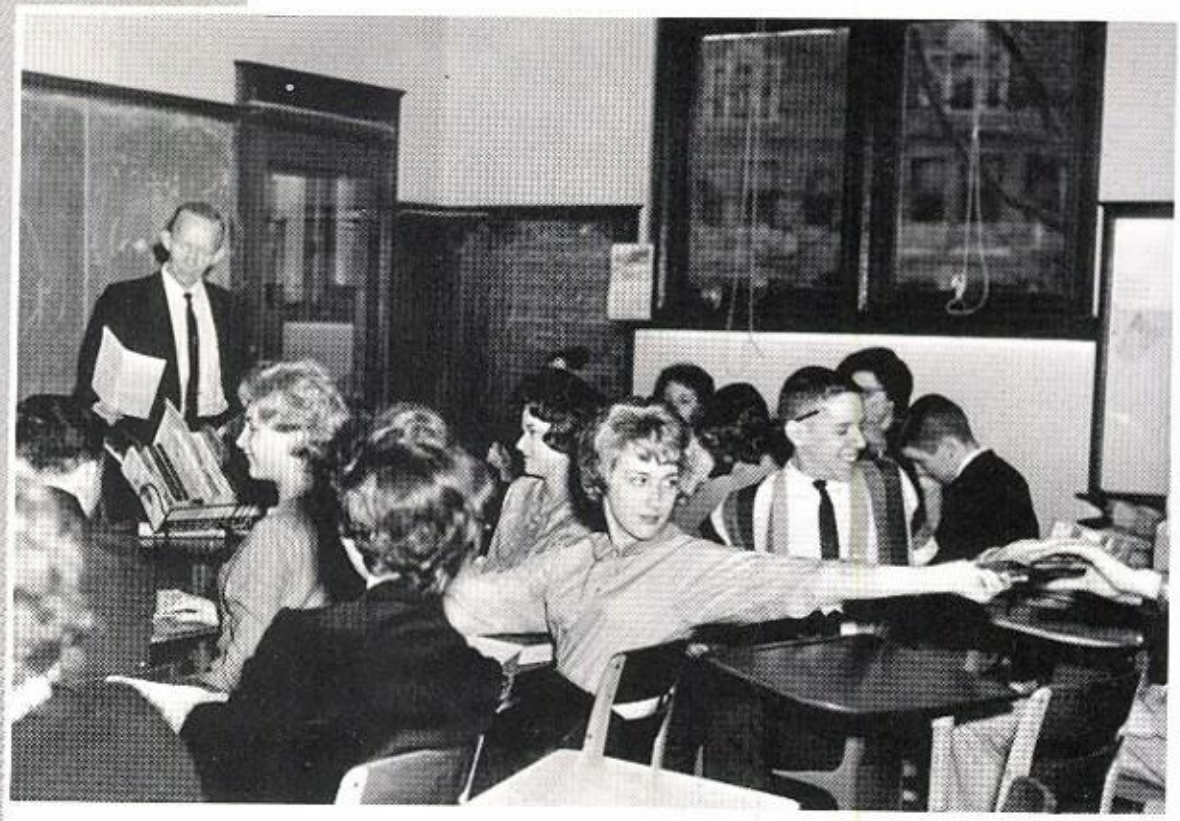
Inside the front offices of our school are three very hard working people. These individuals must keep a record of absences and tardies, type the daily bulletin, answer the phone and many other duties such as these. Without these women to do the heavy office work, our school would be very limited in its work.

Miss Lois Kasten, Mrs. Betty Mueller, Mrs. Ruth Roschke.

# *BOOKKEEPING STAFF*

Since we go to a private high school, the amount of work required of our bookkeeping staff is tremendous. Our tuition payments are only a small part of the work which they do.

Mrs. Pat Voegele, Mrs. Ruth Rauscher, Mrs. Leola Moehlankamp, Mr. E. Walkenhorst, Mr. Erwin Wesche.



# *SENIORS*

Class Officers. Left to Right: Walt Warneck, Senior Representative; Karen Lee, Secretary-Treasurer; Pete Hoyer, President; Frank Ollinger, Vice-President.

We seniors of 1963 look back to September 1959 when we began our four-year-long journey through LHSC. The "Get Acquainted Party" first brought a group of shy, unacquainted students together as the freshman class. In our class elections we chose our officers: Gary Ellerbrock, president, Paul Colba, vice president, Lauren Black, secretary, and Pete Hoyer, freshman representative. We braved homework, joined in extracurricular activities, met our first school picnic, and finally emerged as sophomores. Led by our officers: Pete Hoyer, president, Paul Colba, vice president, Karen Lee, secretary, and Jim Wolf, sophomore representative, we began our second year. As veterans we ventured forth into teams, cheerleading, chorus, GAA, and various school clubs. Looking forward to the responsibilities of our junior year, we staged a class car wash and had a picnic just for fun.

With our new title, Junior, came many responsibilities. Preparation for the Junior-Senior Banquet was the foremost class activity and working hard for us were our president, Pete Hoyer, our vice president, Jim Wolf, our secretary, Miriam Lang, our treasurer, Karen Lee, our representative, Lauren Black, and the sales and banquet committees. By winning the magazine campaign and by selling chocolate, and chocolate, and more chocolate, we successfully financed the Roaring Twenties Banquet. The dining hall of Concordia Seminary was amazingly transformed into our "speak-easy." With the banquet past we looked enthusiastically to our senior year.

The travels of a senior class we found to be diversely packed with activity. Chosen to be class officers were Pete Hoyer, president, Frank Ollinger, vice president, Karen Lee, secretary, and Walt Warneck, representative. We heartily welcomed to our class Claudia Schmidt, foreign exchange student from West Germany. Studies, college, and vocation decisions, work on *Crusader* and *Courier* staffs and on senior committees, rings and pictures, and class parties all contributed to a busy year as seniors. Upon graduation our journey through LHSC was completed. In the future our memories will be souvenirs, our education will be a foundation, and the "Master of our school" will always be our eternal Savior.

Class Sponsors; Left to right — Mr. Visser, Miss Guenther, Mr. Wallace, Mr. Kirchhoff.

Entertainment Committee Rena Moeller — Chairman.

Entertainment-Project Committee Rich Vedder — Chairman.

One of the goals of the 1962-1963 senior class has been to be more organized. This particular senior class has tried to distinguish itself by being the most organized senior class from LHSC. Four committees, instead of the usual three, were developed to increase efficiency. However, we can't take all of the credit. Our faculty sponsors have greatly aided and guided us. Still, the students have been extremely energetic and hardworking. The Entertainment committee sponsored the successful Mardi Gras party. The Entertainment-Project committee were all excellent buzzbook salesmen. The Publicity committee has made the senior bulletin board a valuable source of senior news; historical, baby pictures, and educational, college. The Publicity-Project committee has creditably recorded our colorful history for posterity. These and many other efforts of the committees and sponsors have really been appreciated.

Publicity-Project Committee Carol Ahlschwede — Chairman.

Publicity Committee Carol Guehert — Chairman.

Money! Money! Money! No, we're not money-happy, we're just in a rut. What else do Juniors at L.H.S.C. think of! But we were rewarded ~~for~~ our efforts by winning the magazine campaign and adding $125 to our treasury. We again set to work and through persistance and great salesmanship we were able to provide the Seniors with a great Junior-Senior Banquet. But this isn't all we did — sell things that is. We took part in just about everything that happened at L.H.S.C. this year. You name it — we did it! We've really had fun at Lutheran these past three years and are anxiously looking forward to returning next fall as the Senior Class of 1964.

# *SOPHOMORES*

The sophomores had a great year again! We are proud to be upperclassmen and had fun lording over the freshmen. As freshmen, we were excellent in all sports, but this year we were even better. We participated in football, cross-country, soccer, basketball, tennis, volleyball, and baseball to the full extent of our many abilities. Likewise, we participated in school activities and helped keep it in good working order. Our rep made sure that our voice was always heard in the Executive Board. Also, the B Chorus, mainly sophomores, did a fine job and some sophomores were even in the choir. We are looking forward to our junior year. Our little nest egg for the banquet is slowly but surely growing, helped by a second place in the magazine campaign. We hope to have the best class ever seen at LHSC next year.

We were all really scared of high school at first, but LHSC turned out to be not so bad a place after all. We soon got into the swing of high school life, joining GAA, Pep Club, freshman chorus, and choosing our own class officers and student council members. We surprised everyone with our school and class spirit, and proved we really knew our stuff by actually beating the BIG SENIORS in the annual Magazine Campaign. After the first weeks of getting accustomed to lockers that simply would not open, mean upperclassmen, and Mr. Ahlbrand, we settled down to our studies and school activities, and became, at least as far as we're concerned, great members of a great student body.

# *FOOTBALL*

Entering into its fourth year of ABC League competition this past fall, the Varsity Crusaders met some of the roughest competition in recent years. Although more boys participated this year than during the previous seasons, the team was unable to produce a winning season. One win, against Wellston, 13—6, left the seasonal record at 1 and 7. The coaching staff this year consisted of Wayne Vogelsmeier, as head coach, and William Ahlbrand, as line coach.

Seeming to follow in the steps of the varsity squad, the Lutheran High "B" team, coached by Arthur Repp, finished the year with an unimpressive 0 and 7 record.

The 1962 Cross-Country team bettered their second place league record of last year by taking an undisputed championship in the ABC League. The Crusader team, more commonly known as the Roadrunners, was undefeated in league competition and only lost once to the state ranked Jennings team. The best meet was against Priory as the Roadrunners shut out their team, the first time any team has been shut out by LHSC in the history of cross-country. The top five runners, all juniors, will be back again next year to carry on the team's great record.

## LHS Central Wins ABC League Title in Cross Country

A 25-30 victory over Principia last Saturday gave the ABC League title to Coach Hoger's harriers at LHS Central. Although Principia managed to capture the first three places, Crusader balance paid off as they took the next five spots.

The win gave the Crusaders a perfect 5-0 ABC League record for cross country competition.

## Lutheran Runners Win

Dan Freeman of Western Military Academy had the best time (8:56.3) over the cross country course but Lutheran Central runners captured a dual ABC meet, 23-34, over the Cadets at Alton yesterday.

Coaches Gerald Pfabe and Lou Schroer.

Although the 1962-1963 Varsity basketball team ended the season without a good record, anyone who attended the games will say they got their share of excitement. Nine of the games the cagers lost were by four points or less. Coach Lou Schroer said after losing the last game against South by one point, "We can't win for losing!"

The boys did a fine job of playing basketball and keeping up a high spirit even though they lost some heart breakers. This year's team had only four seniors. This means that most of the boys who played this year will be returning next year. With all the experience and action the boys have had this year, they should be ready to get a winning record next year.

# *"B" TEAM*

This year, the "B" team has shown the rest of the school that it can compete well with about any of the "B" teams in St. Louis area. With a fine record the "B" team proved that they were good basketball players. While they took a tie for second place in the ABC League with Country Day, they ended up with a 4—1 record in non-league play.

Coach Gerald Pfabe did a very fine job of bringing the boys from freshman year to play the different quality of basketball that the "B" team plays. He should be complimented for this.

As these boys grow into varsity material, they hope to take the record of the 1962-1963 season with them.

This year's "C" team had a fairly rough season. Coming right from grade school, the boys could not get used to the style of ball played in high school. After a few games however, they proved themselves to be good players.

Coach Visser said that the boys should turn into fine athletes with some good coaching and hard work. The first season in high school basketball should bring some fond memories in future years.

The "C" Reserve basketball team this year has proved itself better than most of the other teams it has played. Its 5—3 record is impressive. If one should take a look at the scores more closely, it would be noticed that most of the games won were by large margins and the games lost were very close.

These boys will work hard and turn into fine basketball players and should bring a good name for LHSC basketball.

After a tough schedule against some really professional teams, the girls finished with a 2—5 record.

. . . and one and two and three . . . sound familiar? It's not Lawrence Welk but even better — our own Mr. Lee! Again Mr. Ralph Lee, director of the LHSC bands, has produced the music which we all enjoy, ranging from classical to the "WIL Top Ten." The band puts in many long hours of practice to provide this music for us. Often they can be heard practicing even before school begins, working toward a perfect blending of their instruments. The band has raised school spirit and brought deserved recognition to themselves in their playing at assemblies, special events, parades, and the Band Concert.

# *CHOIR*

Mr. William J. Kirchhoff
Director

One of the most outstanding organizations of our school is the choir. This year as always, it presented the traditional Christmas and Spring Concerts. They also sang for other events including the groundbreaking of Lutheran High School North. On these occasions the members of the choir have brought the gospel to others while serving as witnesses of their own faith. Practicing daily under the able direction of Mr. William J. Kirchoff, the choir members deepen their appreciation for music and increase their skills in it.

# *"B" CHORUS*

Choir hopefuls have a chance to get practice by singing in the B Chorus. This group sings during chapel at different times throughout the year. Their first public appearance was at the Christmas Concert. Both secular and sacred songs are included in the group's singing. Mr. Kirchhoff will select many from this group to sing in Choir.

# *GLEE CLUB*

Any girl who has the ability to sing and to do part singing is eligible to join the Glee Club. Membership in the Glee Club gives those girls who cannot fit music into their schedule an opportunity to be in a singing group. One of the objectives of the Glee Club is to develop poise, stage presence, and foster a feeling of belonging.

# *STUDENT COUNCIL*

Jim Sauer — Student Council President with Miss Juengel — Faculty Advisor.

Realizing at the beginning of this year, that in many ways the Student Council was facing both one of its most promising and one of its most challenging years, a careful look was taken at how the many new problems might best be handled. Working overtime during the last weeks of summer, the executive board carefully worked out a plan to overcome the problems as well as to take advantage of the new opportunities. Understanding that in order for the year to be a successful one the council itself had to be improved, the problem of making it as efficient as possible was tackled first. The results of this realization were seen in the training program for the newly elected representatives, and a new attendance rule. Other changes were also made, the result of which was a new constitution, the first in five years.

After the council became a closely knit group of hard-working representatives, the many activities of the year gradually took shape. Chapel collections rose to a height not matched in many years previous, due to the efforts of the welfare committee. Several fine parties were planned and carried out by the social committee, the German and the soccer socials being two. The spiritual life committee and the special Christmas committee did an especially fine job of making the Christmas and Lenten seasons very meaningful ones. These are, of course, just a few of the committees. There were over twenty in all, and their work was the backbone of the council. Without the combined efforts of them all, the many projects in the minds of all could never have become realities. Underneath all this, the entire council benefitted from a deeper understanding of Christian leadership and responsibility.

Editor-in-Chief

The 1962-1963 CRUSADER is yourbook! The CRUSADER staff and Mr. Carl Yochum, our faculty sponsor, have worked diligently to make yourbook more than an ordinary yearbook. We realized that never before or never again would another book be published exactly like the 1962-1963 CRUSADER, that it would be difficult to make the CRUSADER worth its uniqueness, but we wanted to give you a yearbook which was better than the cookbook formula of other yearbooks. To turn our idealism into realism we tried to consider what everyone would like to be able to remember about his freshman, sophomore, junior, or senior year. With all these ideas in mind we began the physical processes of producing the yearbook. We hope we have accomplished our goal and have given you something you will cherish. It's now yourbook!

This year's Courier has tried to give its readers a clearer idea of LHSC and its activities. Through its news and features it has attempted to cover all areas of school life in order to reach and interest a larger percentage of the student body. The policy has been to try to get all students to widen their interests. It is hoped that the Courier has been interesting and informative.

# *VARSITY CHEERLEADERS*

Radiating school spirit, our five varsity cheerleaders were on hand at the games to share their enthusiasm with the spectators and teams. They organized inspiring pep assemblies through which we became more familiar with the yells and became a livelier crowd. With their boundless energy and pep, these girls were fine representatives of Lutheran High School Central all the while we were fighting for a maroon and gold victory.

# *LETTER FROM EDITOR*

The 1963 CRUSADER is your book. We on the staff want it to be your Crusader for life, hoping that it will crusade not only for the fun, good times, and memories of this past year, but also for the Christian friendship and fellowship which we pray has been developed over these months together. Looking backward, we ask you not to forget the laughter and many activities but to put them in the proper perspective with the Christian atmosphere in which they are placed. We hope that Lutheran High School Central will be one of your fondest and most meaningful memories in life. That is why we publish this CRUSADER. It is to call forth in your mind all the wonderful recollections of high school. The theme is set in the time of the original crusader and the book is dedicated to Miss Koch, who has taught us, as seniors, most about the life and time of the early pilgrims and crusaders. And so, in closing, I, personally, would like to think that this yearbook will help all of you on to becoming better crusaders through Christ by obeying the Crusader Call. May God bless each one of you forever.

Your CRUSADER Editor,
Susan Frank

-Dear Carol-

It sure has been a pleasure having classes with you this year. Remember that good lunch table. Also don't forget all those good songs we sang for example this is table number five etc. Ha! lets not forget those many memories of Youth Camp. I'll never forget those good old times. Because thats the time I began to know Mr. Davis Kuensel just alittle bit better. And now I know him quit well.

Please keep on singing, and keep that good smile. ("Love makes the world go round")

Isn't that beautiful, I think I'm in Love with a wonderful Guy.

May God Bless you in your Senior year and in the future.

Love,
Judy

Carol -
As an alto you're terrific
As a tenor you are great
But when you sing bass
As a girl, you're a mistake!
